RESOLUTION 2020-05-11-05

WHEREAS, the Emergency Shelter Grant Program (ESG) was first enacted under Title V of the U.S. Department of Housing and Urban Development’s Appropriation Act for Fiscal Year 1987, and was fully established by the Stewart B. McKinney Homeless Assistance Act in 1988. The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 amended the McKinney-Vento Homeless Assistance Act. The HEARTH Act included major revisions to the Emergency Shelter Grant Program, essentially changing it to the Emergency Solutions Grant Program. This is a program that may provide assistance to all areas of the State. The Alabama Department of Economic and Community Affairs will administer the grant funds for the State of Alabama; and

WHEREAS, SafeHouse Inc., in conjunction with Family Connection Inc., and Shelby Emergency Assistance Inc., shall be directly involved with the submittal of a combined application for use of these funds to help prevent homelessness, and to re-house homeless persons; to help meet operating costs, to provide essential services to both sheltered and unsheltered homeless persons;

WHEREAS, BE IT RESOLVED, that the County Manager and Manager, Community Services are hereby; authorized to submit application and administrate the program on behalf of Shelby County.

FROM CR-52 OVERPASS TO SOUTH END OF CAHABA RIVER BRIDGE
RESOLUTION 2020-05-11-08**

MOTION: Commissioner Vest – Motion to approve Resolution 2020-05-11-08 as presented

SECOND: Commissioner Allison

VOTE ON MOTION: Unanimous

MOTION CARRIED

RESOLUTION 2020-05-11-08

WHEREAS, the County of Shelby, Alabama (hereinafter at times referred to as County) is desirous of having certain improvements made on Interstate 65 within the Limits of Shelby County, in

accordance with plans prepared by the Alabama Department of Transportation and designated as Project

Number: IM-NH-I065(510) Planing, Overlay, and Striping on I-65 from the CR-52 Overpass to the South end of the Cahaba River Bridge.

WHEREAS, the Alabama Department of Transportation is now or may later be desirous of receiving Federal Aid for improvement of said highway; and

WHEREAS, the Federal Highway Administration, an agency of the United States of America, will not participate in any funding for the construction of said project until and unless the County will agree to certain requirements of the Federal Highway Administration. The County for the purpose of complying with requirements of the Federal Highway Administration in regard to its funding of improvements of the type and kind in this agreement provided for, does hereby pass and adopt the following resolution.

BE IT RESOLVED by the County of Shelby, that the plans of said project including alignment, profile, grades, typical sections and paving layouts as submitted to this County and which are now on file in the office of the Administrative Assistant to the County Manager are hereby approved and that the location of said project as staked out by the Alabama Department of Transportation and as shown by said plans referred to are hereby approved and the Alabama Department of Transportation, in cooperation with the Federal Highway Administration, is hereby authorized to proceed with the grading, draining, paving, and otherwise improving and construction of said project in accordance with said plans.

The County by and through its Commission hereby grants to the Alabama Department of Transportation the full use of and access to the dedicated widths of any existing streets for the construction of said project and hereby agrees to permit and allow the Alabama Department of Transportation to close and barricade the said project and intersecting streets for as long as necessary

while the said project is being graded, drained, paved, and otherwise improved, and hereby agrees that the use of any street or highway for parking within an interchange area will not at any time be permitted.

The County hereby further agrees to adopt or pass such legally effective ordinances and/or laws as will permanently barricade and/or relocate certain intersecting streets as required by the State and to permanently deny or limit access at certain locations as required by the State along said improvements, all of which are more specifically stated as follows:

N/A – This project does not require permanent barricade or relocation of any intersecting streets.

Please refer to: Project Notes (Sheets 2E – 2F)

Please refer to: General Traffic Control Plan Notes (Sheets 2G – 2H)

Please refer to: Traffic Control Plan and Sequence of Construction (Sheets 7 - 17)

BE IT FURTHER RESOLVED by the County, that for and in consideration of the Alabama Department of Transportation in cooperation with the Federal Highway Administration, constructing said highway and routing traffic along the same through the County over said project, such County hereby agrees with the Alabama Department of Transportation and for the benefit of the Federal Highway Administration, that on the above mentioned project the County will not in the future permit encroachments upon the right of way; nor will it pass any ordinances or laws fixing a speed limit contrary to those limits provided for in Title 32, Chapter 5, Code of Alabama 1975, as amended, and other laws of Alabama; nor will it permit other than parallel parking in areas where parking is permitted; nor will it allow the placing of any informational, regulatory, or warning signs, signals, median crossover, curb and pavement or other markings, and traffic signals without written approval of the Alabama Department of Transportation and the Federal Highway Administration, of the location, form and character of such installations. The traffic control devices and signs installed

during construction, and those installed after completion of this project shall be in accordance with the latest edition of the national Manual on Uniform Traffic Control Devices and accepted standards adopted by the Alabama Department of Transportation of the State of Alabama and by the Federal Highway Administration. The County further agrees that subsequent traffic control devices deemed necessary by it in keeping with applicable statutes, rules and regulations to promote the safe and efficient utilization of the highway under the authority of Title 32, Chapter 5, Code of Alabama 1975, and all other applicable laws of Alabama, shall be subject to and must have the approval of the Alabama Department of Transportation of the State of Alabama and of the Federal Highway Administration, prior to installation and the County further agrees that it will enforce traffic and control the same under the provisions of Title 32, Chapter 5, Code of Alabama 1975, and other applicable laws of Alabama.

BE IT FURTHER RESOLVED by this County Commission:

1. That the County agrees to perform all maintenance on crossroads, service drives, or relocated roads that are not designated Federal or State highways that are in the jurisdiction of the County.
2. That the County agrees to perform all maintenance on any existing road which has been replaced by a new road; or, if the existing road is not used, the County has the option of vacating same.
3. That the County agrees to perform all maintenance on interchanges to the theoretical crossing of the denied access line.
4. That the County agrees to perform all maintenance on grade separations along the roadway to the end of the bridge, or the denied access fence, whichever the case.

It is understood and agreed that no changes in this Resolution or Agreement shall in the future be made without having obtained the prior approval of the Federal Highway Administration.

THIS RESOLUTION PASSED, ADOPTED, AND APPROVED this the 11th day of May, 2020.
