- Garden hoses
- Glass cookware/bakeware
- Household items - Cooking pots & pans, toasters, etc.
- Light bulbs (incandescent or fluorescent)
- Mirrors
- Plastic bags
- Plastics - Unnumbered or without recycle symbol
- Porcelain
- Styrofoam - Egg cartons, food containers, or packing material
- Window or auto glass

## HELPFUL RECYCLING TIPS

- Please do NOT place any recyclables in plastic bags.
- Winter Park has single stream recycling, which means all clean recyclables may be placed together loosely in the same bin or cart.
- Separating newspapers is not required, but newspapers can be placed in brown paper bags (no plastic bags please).
- If your recycle bin is full, put excess recyclables into brown paper bags.
- Plastic bags and Styrofoam containers can be recycled at local grocery stores with designated recycling bins.
- Fluorescent light bulbs can be recycled at a major home improvement store.
- Place yard waste at curb for the scheduled Wednesday pick up only. Please use a cart or can for loose cuttings, avoid using plastic bags. Paper yard waste bags are available at local hardware stores.

## DID YOU KNOW?

Plastic Bags are NOT recyclable in our single stream curbside pickup.

They clog the separating system and are the leading contamination issue that cause loads to end up in the landfill. Please do not put recyclables into plastic bags.

Paper or Plastic? No Thanks!

Take reusable bags with you every time you go shopping.
